Filed: 05/28/2002
Subject: Combination Hitch-Mountable Utility Cart

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

**Petition to Make Special Under 37 C.F.R. 1.102(d)
For Advancement of Examination Based on Infringement**

Applicant respectfully requests that the Commissioner make the above-referenced application special and advance it for examination because of actual infringement. As evidenced by Exhibit A, the product named "Rodenator Assault Cart" is on the market and unquestionably infringes on the claims of the instant application. As required, payment of the fee under 37 CFR 1.17(h) is enclosed.

Statement by Applicant

The "Rodenator Assault Cart" is an infringing product actually on the market; the rigid comparison of the "Rodenator Assault Cart" with the claims of the application has been made, and in my opinion, some of the claims are unquestionably infringed; and I have good knowledge of the pertinent prior art.

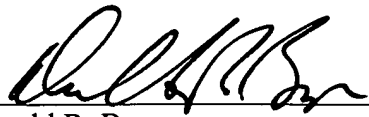

Please call the number below if there is any other requirement or documentation needed. Please credit any overpayments or deduct any fees due, beyond those transmitted herewith, from deposit account no. 50-0534.

Respectfully submitted,
James Veril Stout
